**SUBJECT: ENCRYPTION SOFTWARE IS NOW AVAILABLE UNDER THE SOFTWARE LICENSING PROGRAM (SLP)**

The Department of General Services (DGS) is pleased to announce three new SLP contract agreements for encryption software titles with the following authorized software publishers: **Guardian Edge Technologies, Pointsec Mobile Technologies, PGP Corporation.**

Budget Letter # 05-32 mandates departments to utilize encryption or equally strong measures to protect data when using portable computing devices and/or portable electronic storage media that may contain confidential, personal, or sensitive information.

For contract information, user instructions, price schedules and other pertinent information, please refer to each reseller's SLP contract at [www.pd.dgs.ca.gov/masters/slp](http://www.pd.dgs.ca.gov/masters/slp). If you have questions or need additional information, please contact Steve Lower at (916) 375-4539 or email [Steve.Lower@dgs.ca.gov](mailto:Steve.Lower@dgs.ca.gov).
