

Project	Agency/Department	Category	Goal	Planned Cost	Objective
Automated Collection Enhancement System (ACES)	Labor/Employment Development Department	Revenue Collection	Improve Access to Government Services	\$93,911,328	This project will allow employers to make electronic payments for billed liabilities and payment proposals, increase the compliance and accuracy of taxes and data by establishing non-audit related liabilities prior to the year-end reconciliation, and provide customers with timely information related to their account payment history. Additionally, the ACES will make collection management information available to Collection Division management.
Fuel Taxes Automated Schedule Processing Update	State Board of Equalization	Revenue Collection	Improve Access to Government Services	\$3,300,748	This project will create a Web Browser interface to enable electronic filing of fuel tax returns and reports via the Internet, provide a trial environment for E-Filers to test their data before submission, provide the ability to submit tax payments within an E-File transaction, and other enhancements.
Initiative II E-Filing Expansion	State Board of Equalization	Revenue Collection	Improve Access to Government Services	\$2,944,271	The E-Filing Infrastructure Project will improve service to California businesses by expanding E-Filing capability to include multiple-location and mandatory-EFT (electronic fund transfer) sales and use taxpayers. It will also enhance E-Filing by adding a display of prepaid amounts, enable the E-File system to accept returns with no or partial remittance, and automatically generate notices of prepayment delinquency.
